VWNAOS553658	VWNAOS553658	Communications re: a trademark request and Veolia list of products and services. The document contains commercial and competitive-sensitive information.
VWNAOS395017	VWNAOS395017	Consulting agreement with Winston/Terrell Group, Inc., outlining commercial and competitively-sensitive information (terms of the relationship, compensation, scope, and services provided).
VWNAOS425308	VWNAOS425309	Information regarding VNA's consultants, including their names, the services provided, and the amounts VNA paid each consultant. Competitive and sensitive information.
VWNAOS425312	VWNAOS425313	Information regarding VNA's consultants, including their names, the services provided, and the amounts VNA paid each consultant. Competitive and sensitive information.
VWNAOS225484	VWNAOS225502	VNA's internal policy for environmental incident reporting, which, if disclosed publicly, would allow VNA's competitors to copy safety information and practices it developed over many years.
VWNAOS549103	VWNAOS549103	Background Investigation Report. Document contains private, non-public information which would cause VNA to suffer oppression or competitive disadvantage if publicly disclosed.
VWNAOS234465	VWNAOS234465	Draft contract between Veolia Energy Kansas City and a supplier, pertaining to VNA's negotiations and deliberative process; it contains commercial or competitively-sensitive information.
VWNAOS527905	VWNAOS527905	non-disclosure agreement between VNA and an investment banking and consulting company for developing new business, performing joint projects, and evaluating existing business. Disclosure could harm the parties' ability to pursue permitted use of confidential information, revealing sensitive information about their business plans, strategies, or resources.

Production::Begin Bates	Production::End Bates	Confidentiality Reason
VWNAOS527919	VWNAOS527919	Non-disclosure agreement between VNA and an investment management company regarding a business opportunity in Detroit. Publicly disclosing this document would reveal VNA's business development strategies, potentially harming contractual, commercial, and legal interests and breaching privacy and confidentiality expectations.
VWNAOS527920	VWNAOS527920	Non-disclosure agreement between VNA and an investment banking and consulting company for developing new business, joint projects, and evaluating existing business, signed to develop strategic plans and potential business opportunities; public disclosure would reveal VNA's approach to business development.
VWNAOS528545	VWNAOS528545	Master Supply Agreement with a supplier on behalf of Veolia customer's. The agreements include commercially-sensitive contract details that competitors could use to VNA's detriment.
VWNAOS528546	VWNAOS528546	Rebate Agreement with a supplier. The agreements include commercially-sensitive contract details, including pricing discounts and other incentive rebates, that competitors could use to VNA's detriment.
VWNAOS528547	VWNAOS528547	Master Supply Agreement with a supplier on behalf of Veolia customer's. The agreements include commercially-sensitive contract details that competitors could use to VNA's detriment.
VWNAOS513068	VWNAOS513068	First Amendment to Amended and Restated Agreement for Consulting Services with Winston/Terrell Group, Inc., outlining commercial and competitively-sensitive information.
VWNAOS513069	VWNAOS513069	Consulting services agreement, covering multiple projects, including Detroit but excluding Flint, reveals VNA's consultant, project details, and strategic plans. Public disclosure could harm VNA's competitive position and business interests by exposing its strategic priorities and bidding strategies to competitors.

Production::Begin Bates	Production::End Bates	Confidentiality Reason
VWNAOS550029	VWNAOS550029	Communications re: an audit VNA was undertaking to evaluate its relationship with outside consultants. The communication reveals the audit's points of focus, and disclosure would affect VNA's relationship with those consultants.
VWNAOS550078	VWNAOS550078	The document pertains to insurance bid requirements for the Washington Suburban Sanitary Commission, containing tracked changes valuable to VNA's competitors, as it reveals VNA's bidding strategy and could give them an unfair advantage in future projects.
VWNAOS550079	VWNAOS550079	Internal Go/No Go evaluations for projects in Washington. The document is competitively sensitive, and lifting confidentiality would disadvantage VNA in bidding and future competitions.
VWNAOS550109	VWNAOS550109	Status reports on various non-Flint projects, containing commercially-sensitive information about VNA's customers. Disclosure could provide competitors with opportunities to displace VNA and impact relationships.
VWNAOS550111	VWNAOS550111	Status reports on projects unrelated to Flint re: VNA's nationwide work with customers and potential opportunities for expansion, identifying key stakeholders whose information, if disclosed, could provide competitors with a competitive advantage.
VWNAOS550112	VWNAOS550112	Status reports on projects unrelated to Flint re: VNA's work with customers and potential opportunities for expansion, identifying key stakeholders whose information, if disclosed, could provide competitors with a competitive advantage.
